

## IMPORTANT REMINDER

### Recommended Care Instructions for your RxFloor+

Dear Customer,

Because we aim to provide you with high-quality service and help you protect your investment, please find enclosed the manufacturer's Recommended Care Instructions for your **RxFloor+**. Please read these instructions carefully.

#### Summary checklist:

- For regular care, use a **neutral pH cleaner (8)**. Ask us about our **RxFloor+ Care Kit Solution**
- Every month or according to traffic, **deep clean your floors using an auto-scrubber** (please refer to the manufacturer's Recommended Care Instructions)
- Do not wax, polish, or use abrasives or bleach
- Encourage the use of non-marking soles
- Please note that damage caused par high-heel shoes or rolling material are not covered under the manufacturer's guarantee
- Use adequate protective mats at all work stations equipped with rolling chairs. Ask us about our **RxFloor+ Chair Mats Solution**;
- Do not use anti-fatigue matting made of rubber or of other petroleum-based materials. Ask us about our **Anti-fatigue Rx Mats** suitable for use with your **RxFloor+** surfaces.

And don't forget that our Client Services staff is always at the ready to answer your questions and receive your comments and feedback.

Ergonomically yours!
